RSS Feeds from AlterInfos

Monday 13 February 2006, posted by Dial

Really Simple Syndication (RSS) is an XML-based format for content distribution used by sites such as AlterInfos. RSS feeds include titles, summaries (or the first paragraph) as well as the links to the original articles.

- RSS trilingual

- RSS en French

- RSS en Spanish

- RSS in English

- RSS em Portugues

One of the ways to access RSS feed is to install a news reader such as RSS Bandit(PC - free) or RSSOwl(Mac and PC - free) which allow to group information from different sites and to access it from a single window.

There are also numerous online readers. Click on the following logos to add AlterInfos to your online RSS feeds:

- All articles:
